

Before I really die

(Parles et Musique: Gael Cosendai)

Couplet 1

Ré *Sol*
How much do I believe // I know somebody
La7 *Ré*
How many things do I think // There's still to see
Sim *Mim*
How long does it take to be // Unconscious, deaf and blind
Sol *Ré*
Unable to grasp all the beauty // That's before my eyes

How many days do I waste // Forgetting to live
Perfumes I lose on the way // Just because I don't breathe
Oh God you came here to heal // The crippled, the deaf and blind
My Lord come and resurrect me // Before I really die

Refrain 1

Mim7 Sol *Ré*
Oh, Lord! Open my heart (3x)
Mi7 Sol *La* *Ré*
Oh, Lord! Before I really die

Couplet 2

How many hours did I lose // Not seeing your love
Running the rat race of fools // For useless gold
But love has always been here // I need new eyes
My Lord come and let me see // Or I will really die

Refrain 2
