

## God's prayer

Do  
D'you think I'm gonna beat you?  
Do/Si  
D'you think I'm mad at you?  
Lam  
Don't listen to the devil's lie  
Do/Sol  
I'm there with you  
Fa  
Oh! Please understand  
Do/Mi  
All my love for you  
Rémi  
Look at the scars in my hands  
Sol  
I'm there with you

Why do you feel so guilty?  
I know who you are  
I saw you're mum's baby  
You've nothing more to hide  
I know you fell on the way  
I know you will still fall  
But you have nothing to pay  
I paid it all

### Chorus

So you're with me"

My poor little planet  
Turning on itself  
Wondering where all this leads  
I'm there with you  
I don't want anything  
It's free for you  
I require just one thing  
I just want you
